French Scheme of Learning Year 9 – Term 2 – Rendez-vous !

Intent – Rationale

To build confidence in speaking, writing, reading and listening on the topic of free time; inviting others to do things and learning about festivals (on a local and global scale). This topic feeds into the French GCSE where pupils write and speak about festivals and special occasions that they celebrate with their family. The scheme also aims to build cultural awareness on some francophone festivals and acts of remembrance.
