What's the secret of our success?

It's the little things: giving us confidence, acting against bullying, having our backs, being smiley and welcoming, giving us lightbulb moments in class, support us during difficulties, championing us, feeding us, giving us self belief and self esteem, having a laugh and creating good memories....

- KSHS students make, on average more than half a grade more progress, than those with similar starting points do nationally. (P8 +0.67)
- 35% of all grades 7+ (A*/A) in 2025
- Top 10% of all schools nationally for progress
- Top 3% of schools for attainment in English and top 5% nationally for attainment in Maths

Examination Results – GCSE (2025)

Examination Results – A Level (2024)

- 83% grades at A*-C
- 60% of our A-level grades were at A*, A or B
- 35% of grades were at A*/A at A Level
- In the top 7% of state schools nationally for average A Level point Score
