Dear Parent/Carer

Pupil Premium

The Pupil Premium is Government Funding intended to help schools raise the attainment of disadvantaged students and 'close the gap' with their peers.

The Robert Carre Trust policy covers both Carre's Grammar School and Kesteven and Sleaford High School. For the academic and financial year 2024/2025 the school will allocate this funding in the following way:

- Contribute to the specialist care that pastoral staff provide across the Trust;
- Contribute to the support in academic subjects where it is felt that student attainment can be raised;
- An allocation to support Educational Visits and School Trips;
- An amount of £120 per child is available to parents to assist with the purchase of uniform or contribute towards transport costs. This can be claimed by submitting receipts to the school Finance Office on the claim form on page 2 of this letter.

Full details of how Pupil Premium is used and how attainment is raised is posted on the website of each school. Please do not hesitate to contact the Trust if you require any further information.

Yours faithfully

Mrs L Bedford
Director of Finance
