

KSHS PTA Secretaries Report September 2024

Following a full return to school in September 2024, the PTA have had a very good year with fundraising events. Although the committee remains fairly small, they have managed to meet regularly and have been able to support various events at the school as part of their fundraising to help raise monies for school projects, student resources and charities.

For the 2023/2024 school year, the PTA have supported the school by funding:

- The purchase of the yearly school planners for all students
- Additional waterproof blankets for students to use outside
- Visual/audio equipment for the sports hall

The committee have raised funds throughout the year by holding a very successful Easter Bingo night and Spring raffle, supporting the Musical Productions and Christmas and Summer Concerts by providing and selling refreshments and clothing donations in the form of bags to school with EA Textiles.

Funds have also been raised via the 100 club although not as many participants as we would have liked. Also the pre-loved uniform sales have continued to be a huge success and we continue to receive donations which are very much appreciated.

Finally a big thank you to KS for guiding the committee over the last 12 months despite her already busy school schedule.

KL
