1 November 2024

Dear Parent/Carer

SJSF Open Evening

It was lovely to see so many of you at the SJSF Open Evening in October; we hope that you found the event informative and that you and your child were able to start exploring their post-16 options.

If you were unable to attend, you can find a link to the slides from the Introductory Presentation [here](#).

Please be reassured that there is also a wealth of information on the SJSF website including virtual tours of each school site, subject information, and other aspects of Sixth Form. You can access this [here](#).

An online version of the prospectus is available on the website, but we also have hard copies ready for those who were unable to attend. These can be collected from the Sixth Form Office when students are next in school.

You can find general information about Sixth Form [here](#).

Next Steps

The deadline for completed applications to SJSF is Friday 15 November. Although choices are not set in stone at this point, we use the information to build our Sixth Form option blocks, so that we can endeavour to meet student demand for different courses. Students should return their completed application form to either the Sixth Form Office, or hand to their form tutors.

Further Guidance

Students are in the process of having 1:1 Careers meetings where they can explore their options further, and all students will have a 1:1 counselling meeting with a member of the Sixth Form team after Christmas. At this meeting we can discuss the application and their options to ensure they have made the most appropriate choices for them to achieve their potential.

If you feel you need further advice before completing the application, then please do let us know and we will answer any questions you may have.

Yours faithfully,

Mr R Smith
Head of Sixth Form (Carre's Grammar School)

Mrs S Chant
Head of Sixth Form (KSHS)
